

Testing Clickbait Decision Trees

- 1. Take one of the handouts for the game.
- 2. Each handout has a table with some **clickbait** and **news** headlines. *There are a few handouts with different headlines to test!*

Clickbait	Tree 1	Tree 2	Tree 3
The Longest Movies Ever Made			
This is the Cast of 'Sucker Punch' Now			
News	Tree 1	Tree 2	Tree 3
ABC apology to Kevin Rudd			
Paving The Path For Paid Family Leave			
Total Score			

- 3. For each headline, start at the top of the tree.

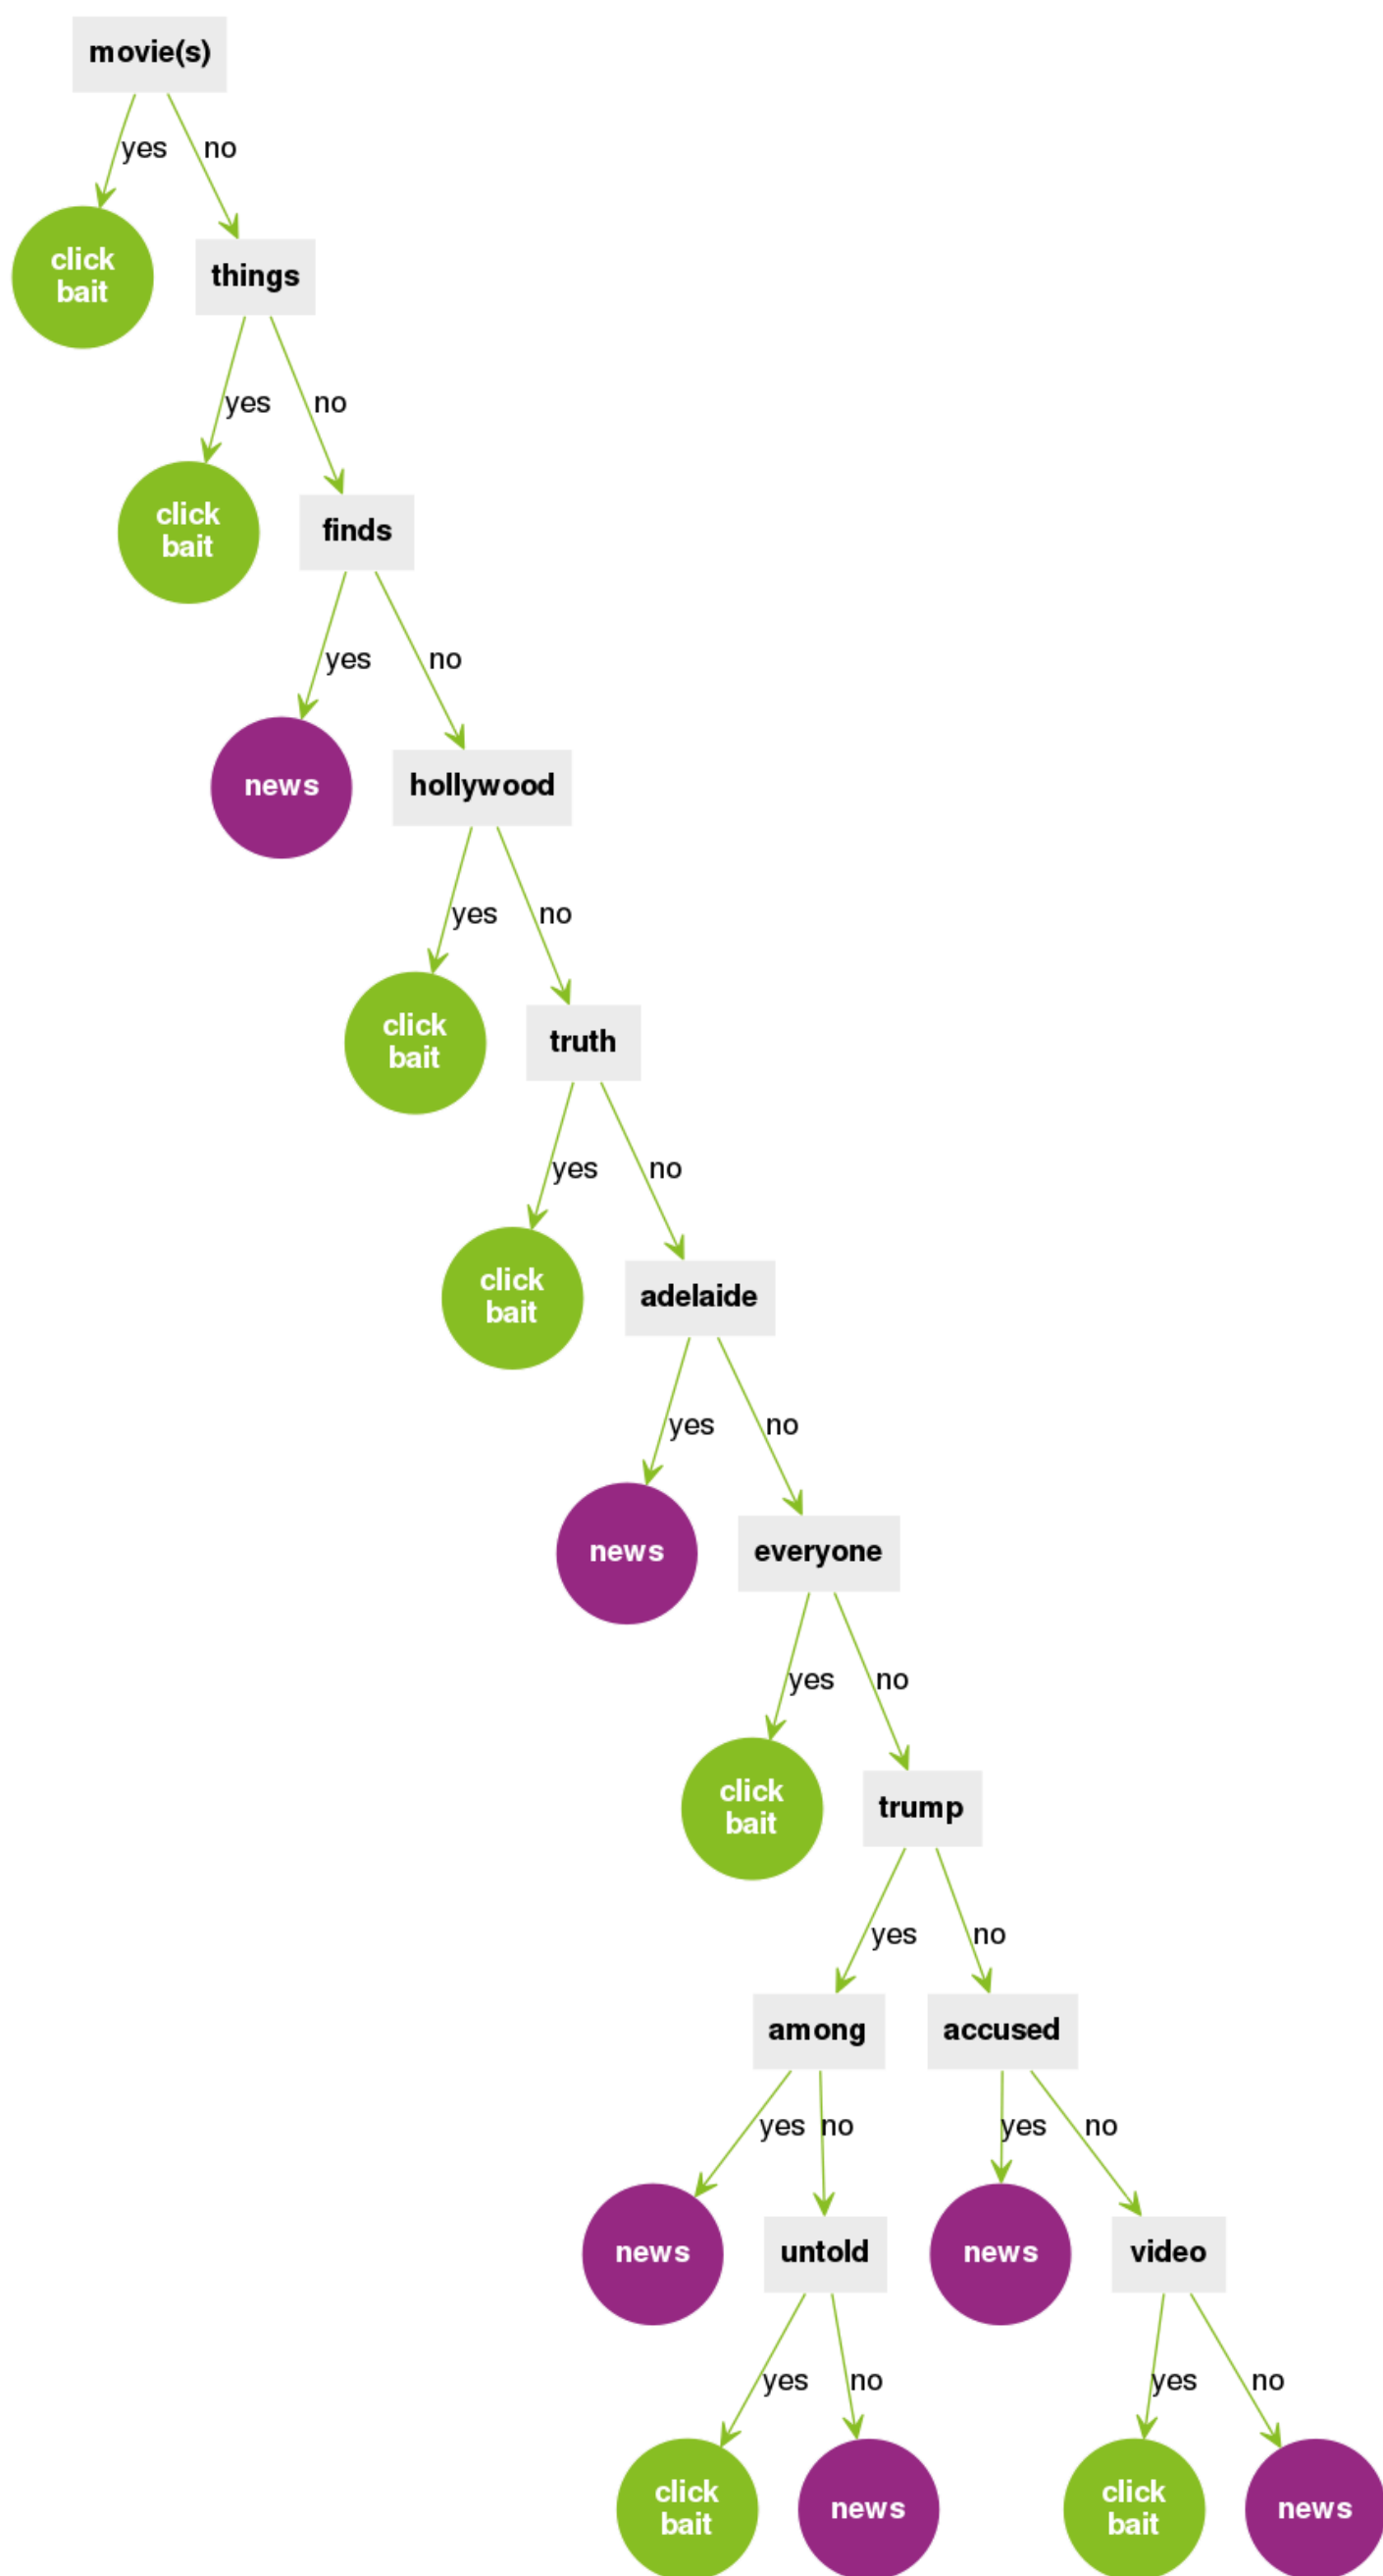

- a. If the word in the box is in your headline, follow the **yes** arrow. Otherwise, follow the **no** arrow.
- b. Repeat until you reach a circle with **clickbait** or **news**.
- c. Record the result on your handout by ticking each headline that the tree guessed correctly.

“The Longest **Movies** Ever Made”

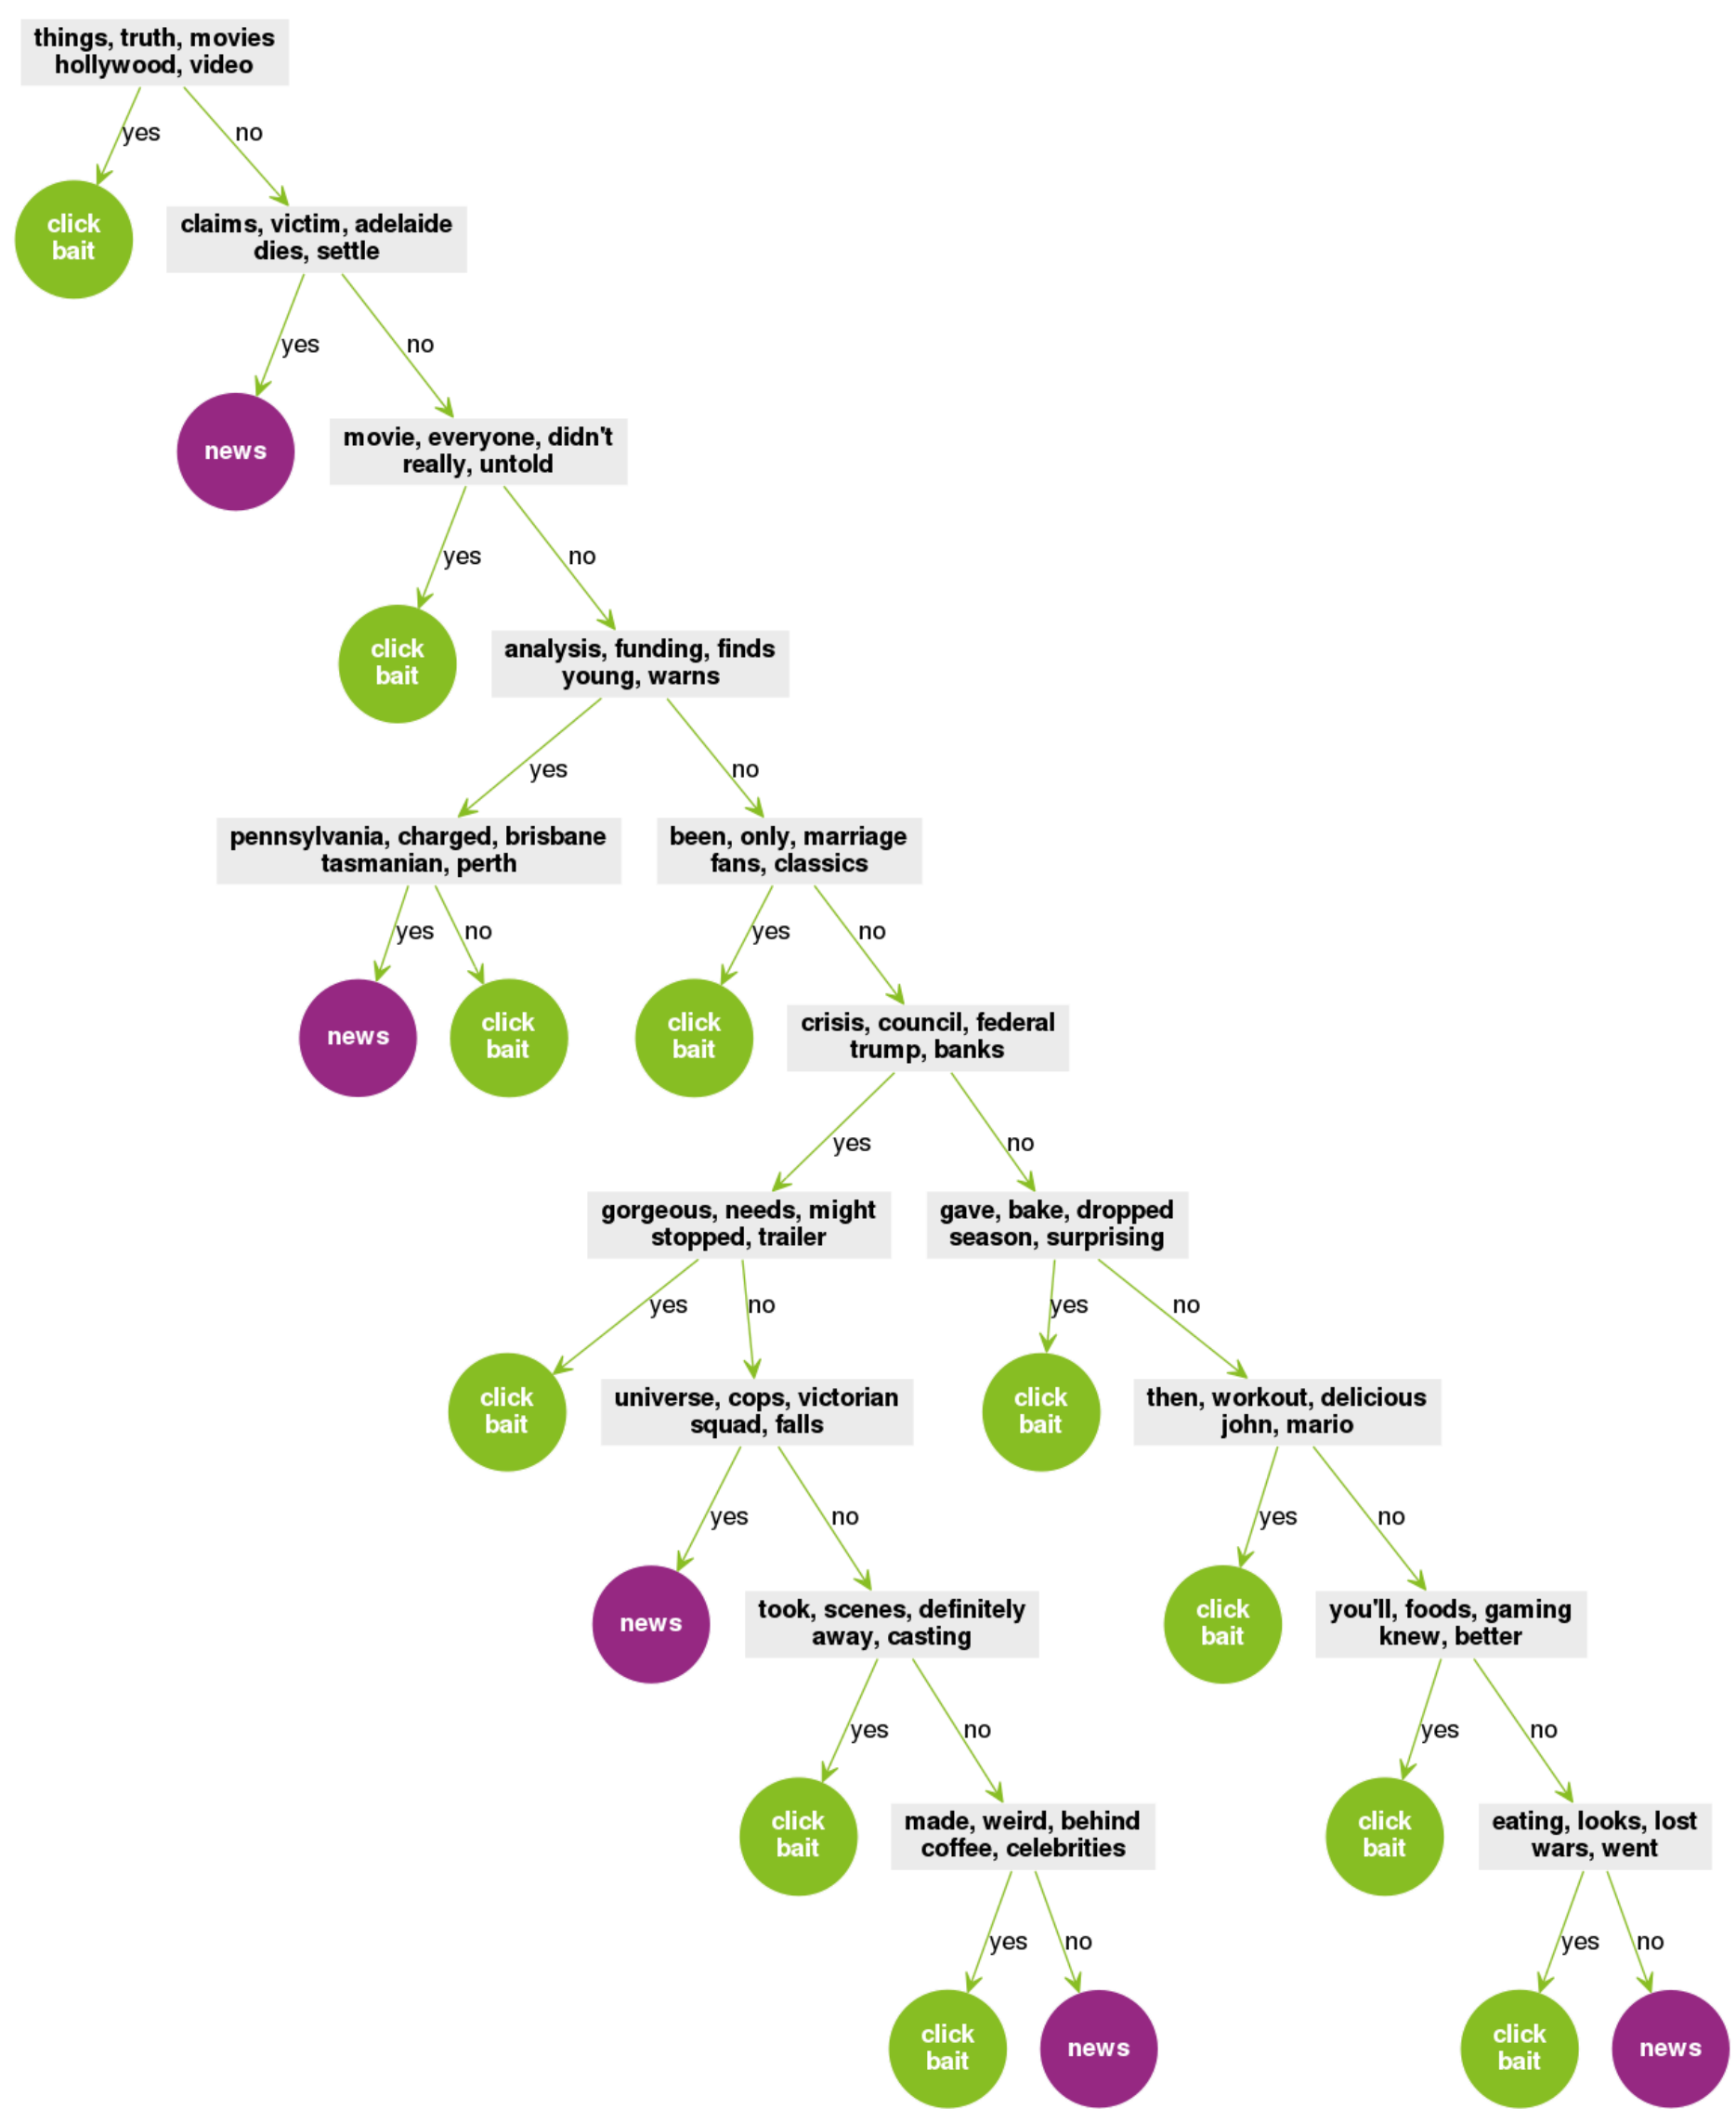

Clickbait	Tree 1	Tree 2	Tree 3
The Longest Movies Ever Made	✓		
This is the Cast of 'Sucker Punch' Now	✗		
News	Tree 1	Tree 2	Tree 3
ABC apology to Kevin Rudd	✓		
Paving The Path For Paid Family Leave	✓		
Total Score	3		

- 4. Calculate the total score of the decision tree by adding up the number of ticks.
- 5. Put a sticker on the decision tree with the best score!
