

## What's Your Style?

Are you a super spy, running a secret magic club, or needing to protect the location of rare Pokemon?

Give your diary a theme that fits your particular secret life!

## Encoding in Emojis

What if someone hacks our diary? We don't want them to read our secrets!

Let's hide them using a special code. They'll never be able to understand our secrets if they're written in

## Where to next?

## Intelligence Checks

It takes skill to make a diary this cool!

Let's add some extra checks to make sure the diary can only be opened by somebody as smart as you are

## It's a Trap!

Oh no, you found my password. Too bad it's not the real password!

Let's add a fake password for your sneaky siblings to find. Don't worry, they won't unlock anything we don't want them to see...

## Make it funnier

Mwahahaha, they fell for our trap!

Let's give them something to see if they used the fake password on our secret diary
