We were good, we were gold  
Kinda dream that can't be sold  
We were right 'til we weren't  
Built a home and watched it burn  
Mm, I didn't wanna leave you  
I didn't wanna lie  
Started to cry, but then remembered I  
I can buy myself flowers  
Write my name in the sand  
Talk to myself for hours  
Say things you don't understand  
I can take myself dancing  
And I can hold my own hand  
Yeah, I can love me better than you can  
Can love me better  
I can love me better, baby  
Can love me better  
I can love me better, baby  
Paint my nails cherry red  
Match the roses that you left  
No remorse, no regret  
I forgive every word you said  
Ooh, I didn't wanna leave you, baby  
I didn't wanna fight  
Started to cry, but then remembered I  
I can buy myself flowers  
Write my name in the sand  
Talk to myself for hours, yeah  
Say things you don't understand  
I can take myself dancing, yeah  
I can hold my own hand

Baby, you can find me under the lights  
 Diamonds under my eyes  
 Turn the rhythm up, don't you wanna just  
 Come along for the ride?  
 Oh, my outfit so tight  
 You can see my heartbeat tonight  
 I can take the heat, baby, best believe  
 That's the moment I shine  
 'Cause every romance shakes and it bends  
 Don't give a damn  
 When the night's here, I don't do tears  
 Baby, no chance  
 I could dance, I could dance, I could dance  
 Watch me dance, dance the night away  
 My heart could be burnin', but you won't see it on my face  
 Watch me dance, dance the night away (uh-huh)  
 I'll still keep the party runnin', not one hair out of place (place)  
 Lately, I've been moving close to the edge  
 Still be lookin' my best  
 I stay on the beat, you can count on me  
 I ain't missin' no steps  
 'Cause every romance shakes and it bends  
 Don't give a damn  
 When the night's here, I don't do tears

 Don't you know about me? (Uh-huh)  
 I could dance, I could dance, I could dance

The snow glows white on the mountain tonight  
 Not a footprint to be seen  
 A kingdom of isolation  
 And it looks like I'm the queen  
 The wind is howling like this swirling storm inside  
 Couldn't keep it in, heaven knows I tried  
 Don't let them in, don't let them see  
 Be the good girl you always have to be  
 Conceal, don't feel, don't let them know  
 Well, now they know  
 Let it go, let it go  
 Can't hold it back anymore  
 Let it go, let it go  
 Turn away and slam the door  
 I don't care what they're going to say  
 Let the storm rage on  
 The cold never bothered me anyway  
 It's funny how some distance makes everything seem small  
 And the fears that once controlled me can't get to me at all  
 It's time to see what I can do  
 To test the limits and break through  
 No right, no wrong, no rules for me  
 I'm free  
 Let it go, let it go  
 I am one with the wind and sky  
 Let it go, let it go  
 You'll never see me cry  
 Here I stand and here I stay  
 Let the storm rage on  
 My power flurries through the air into the ground  
 My soul is spiraling in frozen fractals all around  
 And one thought crystallizes like an icy blast  
 I'm never going back, the past is in the past  
 Let it go, let it go  
 And I'll rise like the break of dawn  
 Let it go, let it go  
 That perfect girl is gone  
 Here I stand in the light of day  
 Let the storm rage on  
 The cold never bothered me anyway

Do you remember  
The 21st night of September?  
Love was changing the minds of  
pretenders  
While chasing the clouds away

Our hearts were ringing  
In the key that our souls were singing  
As we danced in the night  
Remember how the stars stole the night  
away

Ba de ya - say do you remember  
Ba de ya - dancing in September  
Ba de ya - never was a cloudy day

My thoughts are with you  
Holding hands with your heart to see you  
Only blue talk and love  
Remember how we knew love was here to  
stay

Now December found the love we shared  
in September  
Only blue talk and love  
Remember, the true love we share today

Ba de ya - say do you remember  
Ba de ya - dancing in September  
Ba de ya - never was a cloudy day

And we say  
Ba de ya - say do you remember  
Ba de ya - dancing in September  
Ba de ya - never was a cloudy day

The bell was ringing, aha  
Our souls were singing  
Do you remember  
Never was a cloudy day

Ba de ya - say do you remember  
Ba de ya - dancing in September  
Ba de ya - never was a cloudy day  
Ba de ya - say do you remember  
Ba de ya - dancing in September  
Ba de ya - never was a cloudy day

Break it down for me (say do you  
remember)  
Dancing in September

Ba de ya  
Say do you remember  
Do you remember?  
Ba de ya - dancing in September (dancing  
in September)  
Ba de ya - never was a cloudy day

Uh huh! (bring it back now)  
Dancing in September  
Uh huh!  
All the way down to the summer

We don't talk about Bruno, no, no, no!  
We don't talk about Bruno... but  
It was my wedding day  
It was our wedding day  
We were getting ready, and there wasn't a cloud in the sky  
No clouds allowed in the sky  
Bruno walks in with a mischievous grin-  
Thunder!  
You telling this story, or am I?  
I'm sorry, mi vida, go on  
Bruno says, "It looks like rain"  
Why did he tell us?  
In doing so, he floods my brain  
Abuela, get the umbrellas  
Married in a hurricane  
What a joyous day... but anyway  
We don't talk about Bruno, no, no, no!  
We don't talk about Bruno!  
Hey! Grew to live in fear of Bruno stuttering or stumbling  
I could always hear him sort of muttering and mumbling  
I associate him with the sound of falling sand, ch-ch-ch  
It's a heavy lift, with a gift so humbling  
Always left Abuela and the family fumbling  
Grappling with prophecies they couldn't understand  
Do you understand?  
A seven-foot frame  
Rats along his back  
When he calls your name  
It all fades to black  
Yeah, he sees your dreams  
And feasts on your screams (hey!)  
We don't talk about Bruno, no, no, no! (We don't talk about Bruno, no, no, no!)  
We don't talk about Bruno (we don't talk about Bruno!)  
He told me my fish would die  
The next day: dead! (No, no!)  
He told me I'd grow a gut!  
And just like he said... (no, no!)  
He said that all my hair would disappear, now look at my head (no, no! Hey!)  
Your fate is sealed when your prophecy is read!  
He told me that the life of my dreams would be promised, and someday be mine  
He told me that my power would grow, like the grapes that thrive on the vine

Óye, Mariano's on his way  
He told me that the man of my dreams  
would be just out of reach  
Betrothed to another  
It's like I hear him now  
Hey sis', I want not a sound out of you  
(it's like I can hear him now)  
I can hear him now  
Um, Bruno...

Yeah, about that Bruno...  
I really need to know about Bruno...  
Gimmie the truth and the whole truth,  
Bruno  
(Isabella, your boyfriend's here)  
Time for dinner!  
A seven-foot frame (it was my wedding  
day, it was our wedding day)  
Rats along his back (we were getting  
ready)  
When he calls your name (and there  
wasn't a cloud in the sky)

Bruno says, "It looks like rain" (a seven-

In doing so, he floods my brain  
Married in a hurricane  
He's here!  
Don't talk about Bruno, no! (Why did I  
talk about Bruno?)  
Not a word about Bruno!  
I never should've brought up Bruno!
